**JLI Teens Discovery Program, a think-and-debate course for Jewish high school students**

Thursdays 7-8pm starting September 17th

**COURSE ONE SUMMARY:** She loves me...she loves me not! Love and romance is more confusing than ever. What does Judaism say about dating, sexuality, and the pursuit of lifelong relationships? Students will examine the conflicting messages found in media, music, and pop culture. By exploring ancient Jewish teachings, teens will learn how to create healthy boundaries.
